# ON TIME DELIVERY EVERY DAY

Compass Group have partnered with Mainfreight allowing us to have a nationwide logistics and delivery service for either hot or cold meals. Our meals are delivered to each of our 50 schools at either an agreed location point within the school grounds or direct to the classroom so we can ensure our meals are delivered on time every day before the lunchtime school bell rings and are ready to enjoy!

The delivery drivers of Mainfreight have really got to know the schools, teachers, students and the classroom locations to provide a personal service with a smile
