

COMPASS GROUP FACT SHEETS ON OUR VALUE ADD TO THE MOE SCHOOL LUNCHES PROGRAMME

Compass Group has launched a Lunches4Me App (www.lunches4me.co.nz/lunches/home) that notifies the school community of the menu ahead. Students can even load their own personal profile! The App is also a 'voice of the customer' platform for gathering feedback on how the meals taste and look from the parents, staff, teachers and students. This feedback is taken onboard and helps us tailor our menus for any changes that may be required. We take this feedback seriously as we want to ensure the students are happy and well fed eating the meals we provide.

Over the past 6 months of providing both hot and cold nutritious lunches we have made significant menu changes 3 times by listening to the feedback we received from students, teachers and parents. By enhancing our menu to a more appealing offer based on this feedback we have also been able to significantly reduce food wastage. This tells us the students are enjoying our delicious lunches even more so and are benefiting from the nutritional value provided for their learning and energy throughout the day!

We love to hear feedback! Email us at school.lunches@compassgroup.co.nz
